

**FOR IMMEDIATE RELEASE:**

## **Wilwood Disc Brakes Announces Two New Front Disc Brake Upgrade Kits for the 2016-Present Mazda MX-5 Miata**

**Camarillo, CA • July 2016**

Wilwood's Dynalite front kit features four piston calipers with 12.19" ULHP plain face or SRP drilled and slotted rotors. The DynaPro 6 front 12.88" kit sports six piston calipers coupled with GT slotted or SRP rotors. Both kits offer black or red calipers fitted with a set of BP-10 compound metallic-composite *SmartPads*. To complete the kits are DOT stainless steel braided flexlines and all necessary hardware giving you a setup that delivers high-torque stopping power, optimized cooling and superior styling for the street or track.

MSRP starts at \$699.99.
