

FOR IMMEDIATE RELEASE:

Wilwood Disc Brakes Announces New 2013-2017 RAM 1500 Truck Brake Kit Upgrades

Camarillo, CA • July 2020

Wilwood is pleased to announce new front and rear brake kit upgrades for 2013-2017 RAM 1500 trucks, providing unmatched braking capacity for high-demand highway, towing, commercial and heavy-load off-road applications.

Forged aluminum TX6R six piston front calipers wrap around 16" diameter **Spec37** alloy GT 60 curved-vane rotors. AERO4 four piston rear calipers grab 15" diameter GT straight-vane rotors.

Kits are fully compatible with the OE master cylinder output, ABS system, all electronic controls and the rear OE parking brake. Both front and rear kits include BP-20 compound *SmartPads*, premium-grade hardware, stainless steel DOT approved flexlines and installation guide.

MSRP starts at \$2,519.94 (front) and \$1,814.33 (rear).
